# WOMEN'S LEAGUE

A League on the Rise

After the completion of the first round of the year, the Women's Baseball League was formally split into two separate divisions. Division 1 saw an undefeated Braves win Championship Gold, whilst Kalamunda Rangers picked up the Championship in Division 2.

With plans to continue to expand the Women's Baseball League in the coming seasons, Baseball WA hopes to see our Women's clubs increase the number of teams they have competing much like Wanneroo Giants did this season.
