MESSAGE FROM THE CHAIRMAN - A.B.F. Youth Committee

Congratulation to the South Australian Baseball League and the Glenelg Baseball Club on the occasion of hosting the 1989 Commonwealth Bank National Under-16 Championships. May all participating teams have a successful Series and enjoy the competitive spirit and friendship that eventuates from these Series.

This is yet another indication of the progress and development which the game is enjoying and the opportunity which exists for young ball players to gain representative honours.

I am sure these young stars of the future who will be participating in this keen and friendly rivalry will perform with credit to themselves, to the game they have chosen, and to the respective States.

Congratulations and have a successful Series.

Laurel Sayers.

MESSAGE FROM THE PRESIDENT OF THE SOUTH AUSTRALIAN BASEBALL LEAGUE

On behalf of the Baseball Fraternity of South Australia I extend to all Competitors, Managers, Scorers, Umpires and of course all parents travelling with their State Teams a warm and hospitable welcome to Sunny South. We have Teams which will be competing in S.A. for the first time and we are sure that you will never forget the friendship and mateship which you will find here at the Glenelg Baseball Club.

The next two weeks will play a big part in your future development as the up and coming "ball" players throughout Australia and surely to represent Australia at the 1992 or 1996 Olympic Games must already be your aim.

To compete is great.

To win is what you came to do.

To accept and respect the decisions that will confront you will see you again in the next stage of your Baseball Future.

Good Luck,
Make it Happen
Ron Morgan,
S.A.B.L. President.

ADDRESS FROM THE DIRECTOR—YOUTH BASEBALL

On behalf of the South Australian Baseball League it gives me pleasure to welcome the representative Teams and Officials of the States and Territories of Australia to Adelaide for the 1989 National Series.

The Series sees for the first time ten teams competing for a National title and we welcome both the Country Teams from New South Wales and South Australia. This is indicative of the growth that is taking place in the area of youth baseball and it heralds well for the future.

Opportunities now exist for our young players to compete for a place on the National Development Squads for further development and to receive top level coaching.

The Commonwealth Bank are our major sponsors for this Series and we are proud to be associated with such an organisation that not only serves the community at large but also fosters youth sport at all levels. So remember bank Commonwealth and support our Sponsor.

I extend the best wishes to the Glenelg Baseball Club for hosting the Series and in particular thank them for making our visitors welcome and keeping all costs to a minimum. May you all have a happy and successful event to start the year 1989 off.

Ron Wright.

IT'S THE TEAMWORK THAT COUNTS

Talent and teamwork - two important factors that play a major role in every walk of life.

In team sports, for example, no matter how talented a player may be, he knows that he needs the support of his team to make the final winning move.

Learning the importance of teamwork is equipping young players of today to fulfil their chosen roles in the future.

For this reason the Commonwealth Bank is proud of its involvement in

the sponsorship of a wide range of competitive sporting activities.

CHAMPIONSHIP RULES

1. First named team is the home team and occupies 3rd base dugout and fields first.
2. Games shall be of 7 innings duration or until a result is achieved.
3. Ten run rule will apply after 5 innings.
4. Games will not commence earlier than noted in the official draw.
5. There will be a minimum of thirty (30) minutes between games.
6. After elimination round, teams will be split into two groups — top four teams to play in the championship round, bottom four teams to play in the consolation round. Where points are equal then placings are determined by the result of the games played between the tied teams in the qualifying round.
7. Allocation of points;

Championship round — The only points and percentages to carry over into the second round are those based on results of games played among teams qualified for the championship round.

Consolation round — All points and percentages are cumulative and carry into the second round.

Autobank

- You can get cash or make deposits 7 days a week thanks to Autobank.
- This means you can withdraw money or make deposits even when the banks are closed.
- From 6 am to midnight.
- Every day of the week.
