MGGC JUNIORS
ARE ALL
MEMBERS OF

OCTOBER 2001 – VOLUME 1 ISSUE 4

MESSAGE FROM THE PRESIDENT MGGC

It is with a great deal of pleasure that I prepare this short article for the Melville Glades Junior Newsletter. Very few golf clubs in Australia have a programme of junior golf that includes the preparation of a regular newsletter, particularly of the quality of this one.

Well done to the Editor and contributors. Keep up your good work. It is very much appreciated.

Congratulations!

What a year it has been for junior players from Melville Glades who have achieved distinction for themselves and our club. They have already been named and thoroughly praised in the recent edition of *Glades Golf Talk* so we don't need to repeat it all here.

I would however like to offer encouragement to those other junior players who have worked hard at their game throughout the year and achieved goals they set for themselves. Many of you were rewarded in a small way on the Junior Presentation Day. Bigger things lie ahead for those who keep up the practice routine, remain focused and pay attention to the advice available from your professional coach.

Very Impressed!

I have had many opportunities in recent months to observe a number of our junior members who have represented the club in one way or another. And what a privilege it has been to witness the standards of dress and conduct to be proud of. I am very impressed as would be your families and fellow members.

Our club has become recognised as among the best in the country. This is why we are invited to host prestigious events such as the the *Junior Amateur Championship of Australia* last Easter. The quality of our golf course is not the

only reason for this. Our members, young and old, and the friendliness and facilities of our golf club are also reasons why we are held in such high regard.

You too should be impressed by the high standards we have in our golf club, it won't let you down.

What an exciting time of the year this is for junior golfers. Action packed programme of coaching, tournaments and trips away from home. The course will emerge from its winter dormancy; the weather will be warmer and the days longer.

Good luck to you all. I look forward to receiving news of the fine performances of junior members from Melville Glades.

Max Hannah – MGGC President

JUNIOR CHAMPIONSHIP RESULTS

Sunday September 16 saw the culmination of the Club's Junior Championships, brought forward during 2001 to avoid a clash with many other junior tournaments being held in WA..

Forty juniors took part and again this year some excellent scores were registered over the 54 hole event. Top honours in both the Junior Girls and Boys' divisions were actually a repeat of the Junior Championships in 2000.

STEVE DARTNELL with rounds of 80-78-77 for a 3 round total of 235 took out the Boys' Junior Champion title for the second year in a row, with MARK WESTERN 5 shots further astern on 240.

BREE TURNBULL was the Girls' Division Champion with a consistent 80-80-79 for 239 defeating EMMA STEWART.

In the Nett Division the overall Girls winner was KIRSTY NORQUAY (17) who recorded 232 whilst NICHOLAS

LEEDER (25), produced excellent golf over each day of the event finishing a clear winner in the Boys Division on 204.

Full details of winners from the 2001 Championships were as follows;

GIRLS CHAMPION – Bree Turnbull
GIRLS RUNNER-UP – Emma Stewart
GIRLS BEST NETT – Kirsty Norquay

BOYS CHAMPION – Stephen Dartnell
BOYS RUNNER-UP – Mark Western
BOYS BEST NETT – Nicholas Leeder
RUNNER UP NETT – Robert Clark

BEST NETT - 0-13 HCP DIVISION
Matthew Jager
BEST NETT – 14-23 HCP DIVISION
Bryson Donkin
BEST NETT - 24-27 HCP DIVISION
Cameron Norquay

Other winners to celebrate good efforts throughout the Championships included;

Best Nett Rd 1 – Nicholas Leeder (65)
Best Nett Rd 2 – Bryson Donkin (67c/b)
Best Nett Rd 3 – Stephen Rose (66)

N-T-P's – Emma Stewart, Cam Livingstone, Bryson Donkin, Steve Dartnell, Mark Western & Ian Stokes

Good Scores –
Craig Hoare, Corey Caulfield, Cam Livingstone, Shih-Ion Fu, Rhett Farris, Stephen Rose, Mitch Gillam, Heng Chan & Michael Baruffi.

HOLE-IN-ONE BOY

SCOTT JAGER had reason to smile during the WAGC Srixon Junior Tournament in July when he recorded an ace at the 5th Hole. Well done Scott.

ANNUAL PRESENTATIONS

The annual presentations were held at the conclusion of the Junior Championships on Sunday 16 September with both Club President Max Hannah and Lady Captain Karyn Mears in attendance with the Junior Committee and Championship players.

Awards were handed out for those regular annual honours associated with the Club, as well as the results for the Most Improved. Most Valuable Junior member and the Eclectic competition held during the season were also announced.

MGGC's Vice Captain and Junior Committee Chairman Russell Bailey did the honours in conjunction with Junior Co-ordinator Roz Stewart.

Award recipients included;

MOST IMPROVED – Heng Chan
ECLECTIC GROSS – Matt Jager
ECLECTIC NETT – Adam Hoare
MOST VALUABLE CLUB MEMBER – Ian Stokes

Some of the Award winners needed a trailer to cart home some of their spoils including Bryson Donkin who took out 3 separate trophies.

The recipients all congratulated the Junior Committee for their efforts and a particular thank you was paid to Beryl Nicholls, for the wonderful effort she puts in as a member of the Committee, recording and policing the junior cards each Sunday after the competition. Roz Stewart also received the juniors' appreciation for her personal effort to assist the MGGC juniors.

Whilst this was the final major MGGC event for the year, the competitions will continue to take place each Sunday at the Club with the exception of Sundays October 7 (Club C'ships Rd 2), and 4/18 November.

Junior events will continue each Sunday through summer with the Opening Day for the 2002 Junior season scheduled for Sunday 10 March.

MGGC JUNIOR GIRLS EXCEL AT SECRET HARBOUR

MGGC can be justifiably proud of our junior girls who contested the Newman and Brooks State Junior Championships at Secret Harbour between October 2/4.

Our four girls – Bree Turnbull, Emma Stewart, Tifanie Milton and Kirsty Norquay all qualified in the final 8 in the Junior Division.

2001 MGGC Junior Club Champion Bree Turnbull took out the final 36 hole match play decider with a win over co-state player Rochelle Miles.

Regrettably, with four of the eight junior finalists, the Melville Glades quartet actually had to play each other in the quarter-finals with Emma qualifying No 1 after rounds of 75/71. She defeated Kirsty, who as a sub-junior, actually qualified in the Top 8 of the Junior Division with two rounds of 84.

Bree defeated Tifanie in their quarter-final clash, with Rochelle taking out the semi-final from Emma at the 19th.

Bree defeated Danielle Hendrie to move through to set up the Final showdown with Cottesloe's Rochelle Miles.

In addition to the WGWA Champions' Trophy won by Bree, Emma won the Consistency Award & 36 holes Gross, whilst Kirsty collected the Best 36 Holes Nett (134).

Como Senior High (Turnbull) won the Schoolgirls' Foundation Shield, run in conjunction with this tournament, with Leeming Senior High (Stewart/Milton) runners-up.

The WGWA State Junior team was announced following the final day's play and these were;

Juniors –
Danielle Hendrie (RPGC), Rochelle Miles (Cott), **Emma Stewart (MGGC)**, **Bree Turnbull (MGGC)**

Sub – Juniors –
Billie May (Vines), Katie Molloy (RPGC).

SCHOOL SPORT TEAMS

Steve Dartnell, Tifanie Milton, Emma Stewart and Bree Turnbull travelled to Echuca in Victoria during August for the Australian School Sport Teams' event for the week 11-18 August.

The WA girls team finished 3rd overall whilst the boys finished the tournament in 5th place.

Thanks must go to the Ladies Committee who conducted a very successful fund raising Quiz night at the Club, raising money to assist the players and their families with the costs of travel and accommodation.

WGWA GIRLS' PENNANTS

2001

Regrettably, Melville Glades will not be fielding a Girls' Pennant team in 2001 (in its own right), however the Club will have one representative in a combined team with Mandurah.

With the Girls' Pennants due to commence in late October, obviously it is disappointing for MGGC to not actually defend the title they won last year.

Kirsty Norquay however, will play in a joint Mandurah/Melville Glades team. The number of teams in this year Pennants is minimal, with only 3 from each North and South divisions confirmed. Apart from the MCC/MGGC combination, Fremantle will field an outright team with Albany/Capel making up the third.

HEARD AROUND THE TRAPS

Emma Stewart and Bree Turnbull have been selected by WGWA to play in the Greg Norman Junior Masters in December 2001 at the Coolangatta/Tweed Heads course.

* Apologies for any omissions Ed.

KIRSTY NORQUAY teamed with her Dad to register in the Nett Runner-up category, with the team of BREE TURNBULL & MARK WESTERN and NICHOLAS LEEDER all registering 'good scores' and participating in the ball run-down.

Unfortunately the same could not be said for our beloved Co-Ordinator who was reported to have seen 'places around the course where she had never before ventured', but was not blaming anyone in particular. Only kidding, Roz!

Pictured above; TIFANIE MILTON displays her style

JUNIORS DO WELL IN MIXED

Inclement weather may have deterred many of the entrants in the Mixed Foursomes Championships from deciding against playing, but those juniors who participated certainly made their mark at presentation time.

It was quite fitting that Club Vice Captain and junior Committee Chairman, Russell Bailey was on hand to officiate as most of the trophies awarded on the day had a junior member involved.

EMMA STEWART teamed with Nick Piani to win the 36 hole event, whilst TIFANIE MILTON and her partner, past Junior Captain Simon Vos had to settle for runner-up.
